Dear Members of MPIOA

I am immensely proud to serve the orthopaedics fraternity as part of this prestigious organization. As the Secretary of MPIOA, I have strived to fulfill my duties to the best of my abilities over the past two years. Our focus has been on enhancing academic activities throughout the entire M.P. state. Workshops and Continuing Medical Education (CME) sessions were conducted across various medical colleges in M.P., covering a range of subspecialties. We successfully added 155 new members to the MP Chapter, and initiated fellowships for postgraduates and young orthopaedic surgeons in M.P.

We are committed to organise regular training and meetings for young members. MPIOACON and PG courses were conducted successfully over the last two years, and we are looking forward to many more activities in the 2024-25 session.

Looking forward to upgradation of Chapter to newer heights.

Jai Hind, Jai MPIOA, Jai IOA.
